WELCOME TO BANGKOK !

We are pleased and honored to invite you to participate in the

1st World Congress of Dermatologic and Aesthetic Surgery / 38th Annual Meeting of the International Society for Dermatologic and Aesthetic Surgery

to be held November 8-12, 2017 in Bangkok, Thailand.

ISDS 2017 is an international congress of dermatologic surgery renowned for generations, hosted by International Society of Dermatologic and Aesthetic Surgery (ISDS).

Approaching our 38th conference, we anticipate over 1,000 participants (ranging from Dermatologists to aesthetic specialists including Plastic Surgeons, ENTs, Gynecologists and Maxillar Facial Surgeons) from all over the world including 650 APAC dermatologists and other aesthetic practitioners, making ISDS 2017 one of the largest aesthetic conferences to date.

So far the range and depth of the cosmetic and dermatologic surgery field is growing remarkably and the growth is forecast to continue in the future.

During the ISDS 2017 we will demonstrate the newest innovations in medical devices, pharmaceuticals, cosmetics and other relevant industries to all participants.

Sincerely,

Deborah S. Sarnoff, M.D.
